PERFORMANCE EXPERIENCE

CUNARD LINE | Orchestra Drummer / Theatre Drummer, Queen Fleet

2024 – Present

- Principal Drummer for *Come From Away*; currently Resident Drummer aboard Queen Victoria
- Perform as principal orchestra drummer across Cunard's Queen fleet, supporting full-scale theatrical productions, guest entertainers, ballroom events, jazz programming, commercial music performances, and specialty entertainment
- Execute performances from written charts, click tracks, conductor systems, production cues, and varied theatrical arrangements while maintaining consistency across demanding performance schedules
- Support large-scale international entertainment operations serving diverse audiences across global itineraries

ROYAL CARIBBEAN INTERNATIONAL | Orchestra Drummer / Musical Director

2016 – 2024

- Performed as orchestra drummer for Broadway-style productions, Royal Caribbean production shows, guest entertainers, and commercial entertainment programming
- Executed complex theatre scores requiring advanced sight-reading, stylistic versatility, click-track precision, dynamic control, and ensemble awareness
- Supported rehearsals, cast changeovers, technical rehearsals, production transitions, and long-term show maintenance
- Served as Musical Director, coordinating musical preparation, orchestra readiness, rehearsal flow, and communication between musicians, performers, stage management, and production teams
- Maintained musical standards and operational consistency across high-volume entertainment environments

PERFORMANCE HIGHLIGHTS

- Extensive experience across theatre, pop, rock, jazz, big band, contemporary commercial music, progressive music, studio recording, and international live entertainment
- Performed thousands of live productions, theatrical performances, guest entertainer shows, and commercial music engagements throughout an international entertainment career
- Comfortable in production orchestra settings, commercial rhythm sections, rehearsal environments, guest artist accompaniment, recording sessions, and high-volume performance schedules
- Recognized for professionalism, preparation, adaptability, and the ability to deliver consistent performances within demanding production environments
